# MOELLER STONE CARE

## PRODUCT SPECIFICATION

### HMK® R162 - ALGAE REMOVER

- **Special cleaner for effortless removal of algae and marks caused by plants from paths, walls and steps.**
- **For polished, honed and all textured finishes on natural and artificial stone surfaces.**
  - **Chlorine and acid free.**

HMK® R162 is a special concentrated chlorine and acid free cleaner that removes persistent algae and marks caused by plants from paths, steps, terraces and facades on all natural and artificial stone. The active components of HMK® R162 restrict re-growth and ensure that surfaces remain clear of vegetation and algae for longer. HMK® R162 can be used on polished surfaces.

**Instructions:** Ensure the surface is cool and dry. Apply HMK® R162 diluted 1:10 evenly over the surface to be treated using a garden spray or a watering can fitted with a rose or "T" bar. After a few days the algae and plant stains will automatically begin to disappear. Remove any residual contamination with clear water and a stiff brush or scrubbing brush. For stubborn deposits repeat the application. Hard and encrusted deposits should be removed manually before application.

**Important:** Do not apply in direct sunlight. Plants and lawns must be protected against splashes. HMK® R162 may need to be reapplied if it is rinsed off by rain within 2-3 days of application.

**Tip:** HMK® R162 may need to be reapplied if it is rinsed off by rain within 2 to 3 days of application.

**Coverage:** Around 20-100m<sup>2</sup>/litre.

**Warning:** HMK® R162 is a chemical substance – ensure it is stored well out of the reach of children. See Material Safety Data Sheet for more detailed information.

**Packaging:** 12 x 1 litre bottles/box; 2 x 5 litre cans/box.

**Storage:** Store in a cool place out of the reach of children. Keep lid tightly closed.

**Testing:** Always test the product in an inconspicuous area to evaluate suitability, coverage and performance. Do not use the product in temperatures below 12° and above 25°C.

**Limitation of liability:** The liability of HMK® Moeller Stone Care for defective products and any claims for damages whatsoever is limited to the purchase price of the products. HMK® Moeller Stone Care shall not be liable for any consequential damages. No other warranty or representation is made or implied.
