# MOELLER STONE CARE

## PRODUCT SPECIFICATION

### **HMK® P703 - MARBLE SHINE** FOR PROFESSIONAL USE

- **regenerates the shine of almost all polished and fine honed marble, limestone, agglomerate and terrazzo surfaces**
- **makes surfaces more durable and improves slip resistance**

HMK® P703 is a special ready to use treatment for regenerating the shine of almost all polished and fine honed marble, limestone, agglomerate and terrazzo surfaces. HMK® P703 makes surfaces more and durable and improves slip resistance. HMK® P703 is not suitable for hard stones, white marble, ceramic and porcelain tiles. For internal use only.

**Instructions:** If under floor heating exists, switch it off and allow the surface to cool. Clean the area to be treated thoroughly and allow it to dry (max. 2-4% moisture). Shake well before use and spray HMK® P703 thinly and evenly onto the surface and buff until dry and the desired level of shine is achieved. For large areas use a floor buffing machine (approx. 145rpm) with a special high-grade steel pad (e.g. HMK® Z984, 400mm). For smaller areas use a hand buffing machine (approx 120rpm) with a special high-grade steel pad (e.g. HMK® Z982, 150 mm). Remove residue (e.g. dust and steel wool particles) thoroughly. Protect adjacent surfaces which should not be treated such as walls, furnishings etc...

To clean surface thoroughly before treatment, use HMK® R155 Intensive Cleaner - acid free.

For regular cleaning and continued protection use HMK® P324 Liquid Stone Soap, a no-rinse natural product and HMK® P319 Marble and Granite Polish.

**Coverage:** About 30 to 40m<sup>2</sup>/litre.

**Warning:** Chemical Product. Avoid eye and skin contact. If exposed, flush/wash with water. Keep out of reach of children. See Material Safety Data Sheet for more detailed information.

**Packaging:** 12 x 0,475 litre spray bottles/box; 2 x 5 litre cans/box.

**Storage:** Keep out of the reach of children and safe from frost.

**Testing:** Always test the product in an inconspicuous area to evaluate suitability, coverage and performance. Do not use the product in temperatures below 12° and above 25°C.

**Limitation of liability:** The liability of HMK® Moeller Stone Care for defective products and any claims for damages whatsoever is limited to the purchase price of the products. HMK® Moeller Stone Care shall not be liable for any consequential damages. No other warranty or representation is made or implied.
